To Whom It May Concern,

It is with great pleasure that I write this letter of recommendation for **Mr. Angga Conni Saputra**, a dedicated and resourceful cultural professional with whom I have had the opportunity to collaborate through his work at the UNESCO Jakarta Office.

I first met Mr. Saputra during the **Indonesia United Nations Consultative Forum (IUNCF)** held in **Cirebon**, where his insights and support in cultural discussions stood out. His capacity to navigate complex topics relating to intangible cultural heritage and inter-agency collaboration left a lasting impression on both national and international participants.

During his tenure with **UNESCO Jakarta**, Mr. Saputra has played an instrumental role in supporting the implementation of two core UNESCO instruments: the **2003 Convention for the Safeguarding of the Intangible Cultural Heritage** and the **2001 Convention on the Protection of Underwater Cultural Heritage**. Although his position primarily entailed supporting the Programme Specialist, in **2023**, during a critical leadership gap caused by the **sabbatical of the Chief of Culture Unit** and the **retirement of the Director**, he demonstrated outstanding initiative by temporarily **assuming central coordination responsibilities**. His leadership ensured the **continuity of key activities**, including inter-ministerial collaboration, field coordination, and regional partnerships, until the Chief's return in 2024.

Mr. Saputra's ability to seamlessly shift between policy, field operations, and intergovernmental coordination reflects his professionalism, adaptability, and cultural sensitivity. He is an asset to any organization working in cultural heritage, international cooperation, or sustainable development, and I have no hesitation in recommending him for any position aligned with his capabilities and passion. Please feel free to contact me if further information is needed (+62 819 3208 9739 or email senohartono0702@gmail.com).

Sincerely yours,

Seno Hartono, M. Si
